STONE AMBIENTS

A STONEPALMO™ criou para além dos acabamentos HARVEST VELVET, SAVANNAH WILD, WAVE BAMBU, AQUA FINISH, os acabamentos e superfícies OMEGA BAMBU.

Estas superfícies são apropriadas para a aplicação em espaços únicos e modernos, focadas em ambientes de grande elegância (por exemplo hotéis, salões grandes, fachadas interiores, bibliotecas, museus, spas, health clubs, etc.).

Privilegiamos o uso de Calcário bege e cinza. Os mármore também são uma opção interessante. Estes novos acabamentos criam novos horizontes em termos de arquitetura, design de interiores e decoração.
